

Inserting your INDEXU license key

After installation completed, you need one more step to make INDEXU work properly. You need to insert your license key to your INDEXU installation.

1. Obtain your license key from Nicecoder Client Area <http://www.nicecoder.com/order>[∞]

Your License > Order #81 > **Viewing License Details** Go Home

License Created on:	11-24-2005 09:29:13
License Activated on:	11-24-2005 09:32:13
License Expires on:	Never Expires
Current License Status:	Active

Your License Key: Reissue License

`NFSD-4148e059f3ba0dfc32e5d323e68bf247b1204e0879ad3d`

2. Open `key.php`, enter your license key

```
1. <? $license = "NFSD-4148e059f3ba0dfc32e5d323e68bf247b1204e0879ad3d"; ?>
```

3. Upload `key.php` to your INDEXU installation folder
